

Notification of Bangkok Aviation Fuel Services Public Company Limited (BAFS) No. 2/2024

Re: Policy on Safety, Occupational Health, Security and Working Environment

Bangkok Aviation Fuel Services Public Company Limited (BAFS), which conducts a business that receives, stores, and distributes aviation fuel, recognizes the significance of occupational health, safety, security, and a safe working environment in the workplace and business operations. As a result, the Company has established policies that align with the resolution of the Management System Management Conference No. 1/2024 on 24th April 2024, as follows:

1. Developing a safety, occupational health, and working environment management system that complies with the law, international standards, and other requirements that the Company implements.
2. Controlling, improving, preventing, and solving the hazards from the Company's operations with medium or higher risk levels, which affect employees, the Company's assets, the community, and society to enhance continuous safety, occupational health, and the working environment.
3. Improving the Company's safety, occupational health, and working environment performance, as well as promoting knowledge sharing for continuous improvement.
4. Promoting and supporting the participation of employees under the supervision of the Company in operations of safety, occupational health, and working environment.
5. Developing the Company's employees to be physically and mentally ready, with knowledge and awareness, and promote a good quality of life in terms of safety, occupational health, and work environment to ensure safety both at work and outside of work.
6. Supporting the implementation of safety, occupational health, and working environment management systems to ensure continuous improvement.
7. Ensuring the safety of workers, operators, and property in the Company's area of responsibility and regularly reviewing safety measures to keep up with the current situation.

This Notification is hereby announced to be acknowledged publicly.

Notified on 1st May 2024
